

Sample Letter to Participants after Training

Dear _____,

I enjoyed meeting and working with you at the *Fully Engaged* Facilitator training Saturday, _____. I hope the workshop was interesting and informative for you. Thank you for your active participation and enthusiasm for the marriage preparation ministry. I was inspired to have such a faith-filled group. I know the couples who are sent to you will be in good hands!

I have enclosed a list of all those who participated in the training should you wish to connect with anyone. Also, enclosed is your certificate of completion.

Congratulation and best wishes as you begin your ministry to engaged couples. If you have any questions or concerns, please feel free to contact me.

Sincerely,
